OBJECTIVE

Seeking a position as UX Designer, excited to expand my knowledge and contribute my skills and creativity to deliver amazing products.

EXPERIENCE

Graphic Designer

Freelance, Nashville, TN
January 2016 - Present

- Responsible for designing graphics such as invitations, letterheads, business cards, logos, magazines, newspapers, brochures and email banners.

Software Engineer

Accenture, Nashville, TN
January 2016 - Present

- Drafted Test Conditions and Test Cases to ensure the application behaved exactly as requested by our client.
- Tested software during all phases of development to ensure compliance with business requirements.
- Logged all defects and “show stoppers” encountered while running Test Cases to ensure they were fixed within a timely manner.

EDUCATION
